

## BEAM Avatar TV

BEAM's ground-breaking Avatar TV technology seamlessly connects with your television to display graphical representations of BEAM games. Our proprietary technology has the ability to mimic users' body movements.

- + Creates unique and exciting experiences inside your business, unlike anything your customers have ever seen.
- + A cost-effective solution suitable for any business! Works perfectly in pediatric dental clinics, daycares, family entertainment centers, and more!
- + No need for a large space. All you need is a standard TV.
- + Perfect addition to BEAM's pre-existing product offering.
- + Turns your existing TV into an exciting interactive experience!

## A Never-Ending Supply of Fun

From highly competitive sports games, to energetic collaboration games, BEAM Avatar TV has something for everyone! With games added all the time, you'll always have something new to play.
