- + Fun and cooperative play for the entire family blending physical activity with exciting custom games.
- + Colorful and exciting graphics get children up on their feet, playing and laughing.
- + Seamlessly transforms any existing BEAM interactive wall into BEAM Ball.
- + Children of almost any age can step right up and begin playing.
- + Motion activated games that kids can interact with
- + Projects directly on the wall and easily turns on / off.
- + Perfect addition to BEAM's pre-existing product offering.

BEAM Ball Converts Walls into Fun-Filled Interactive Experiences

BEAM Ball is an interactive play solution where players throw balls at specific targets on a wall, resulting in an exhilarating gaming experience for kids of all ages.

Active

The perfect opportunity to run, jump, move around, and be physically active.

Hygienic

Nothing to wipe down, nothing to clean, and zero germs!

Social

Team up and play with friends in a fun-filled environment.

BEAM Ball Games

A Never-Ending Supply of Fun

From highly competitive sports games, to energetic collaboration games, BEAM Ball has something for everyone! With games added all the time, you'll always have something new to play.
