TESTIMONIALS

BEAM and Obie are award-winning gaming systems that turn any space into a virtual playground.

Installed in over

9,000 locations worldwide

Enjoyed by over

20 million users each month

An average play time of

8 hours per day

Family Entertainment Centers

“The uniqueness of BEAM allows us to stand out from our competitors, **driving higher business revenue** as we attract more families.”

Tracie Amaral

Fab-You-Us Family Fun Center

“BEAM is the centerpiece of our new VIP Party Room, **opening up many new marketing opportunities for us as a business.**”

Richard Hand

Urban Jump Trampoline Park

“**Our visitors are blown away** when they see BEAM in action.”

Meredith Tritico

Kids R' Kids

Healthcare Facilities

“BEAM is a cool, new waiting room experience that creates a wow factor, helping us to **attract more patients to our clinic.**”

Jenna

Georgetown Pediatric

“BEAM helps us **stand out from our competitors.** BEAM keeps our patients entertained throughout their entire visit.”

Mark A. Martinez

Regional Leader, Rodeo Dental

“BEAM has been helpful in creating **a child friendly environment** and in motivating kids to move despite any limitations they may face.”

Jessica

Child Life Supervisor, Shriner's Hospital

“Families love BEAM. It gets rave reviews from families and **brings more repeat customers.**”

John W.

Burger King

“Interactive PlayKing is a solution that has improved my restaurant. Not only do I have **more customers**, but I have many **more repeat customers** who come for the Interactive Play King attraction.”

Pepa Simón

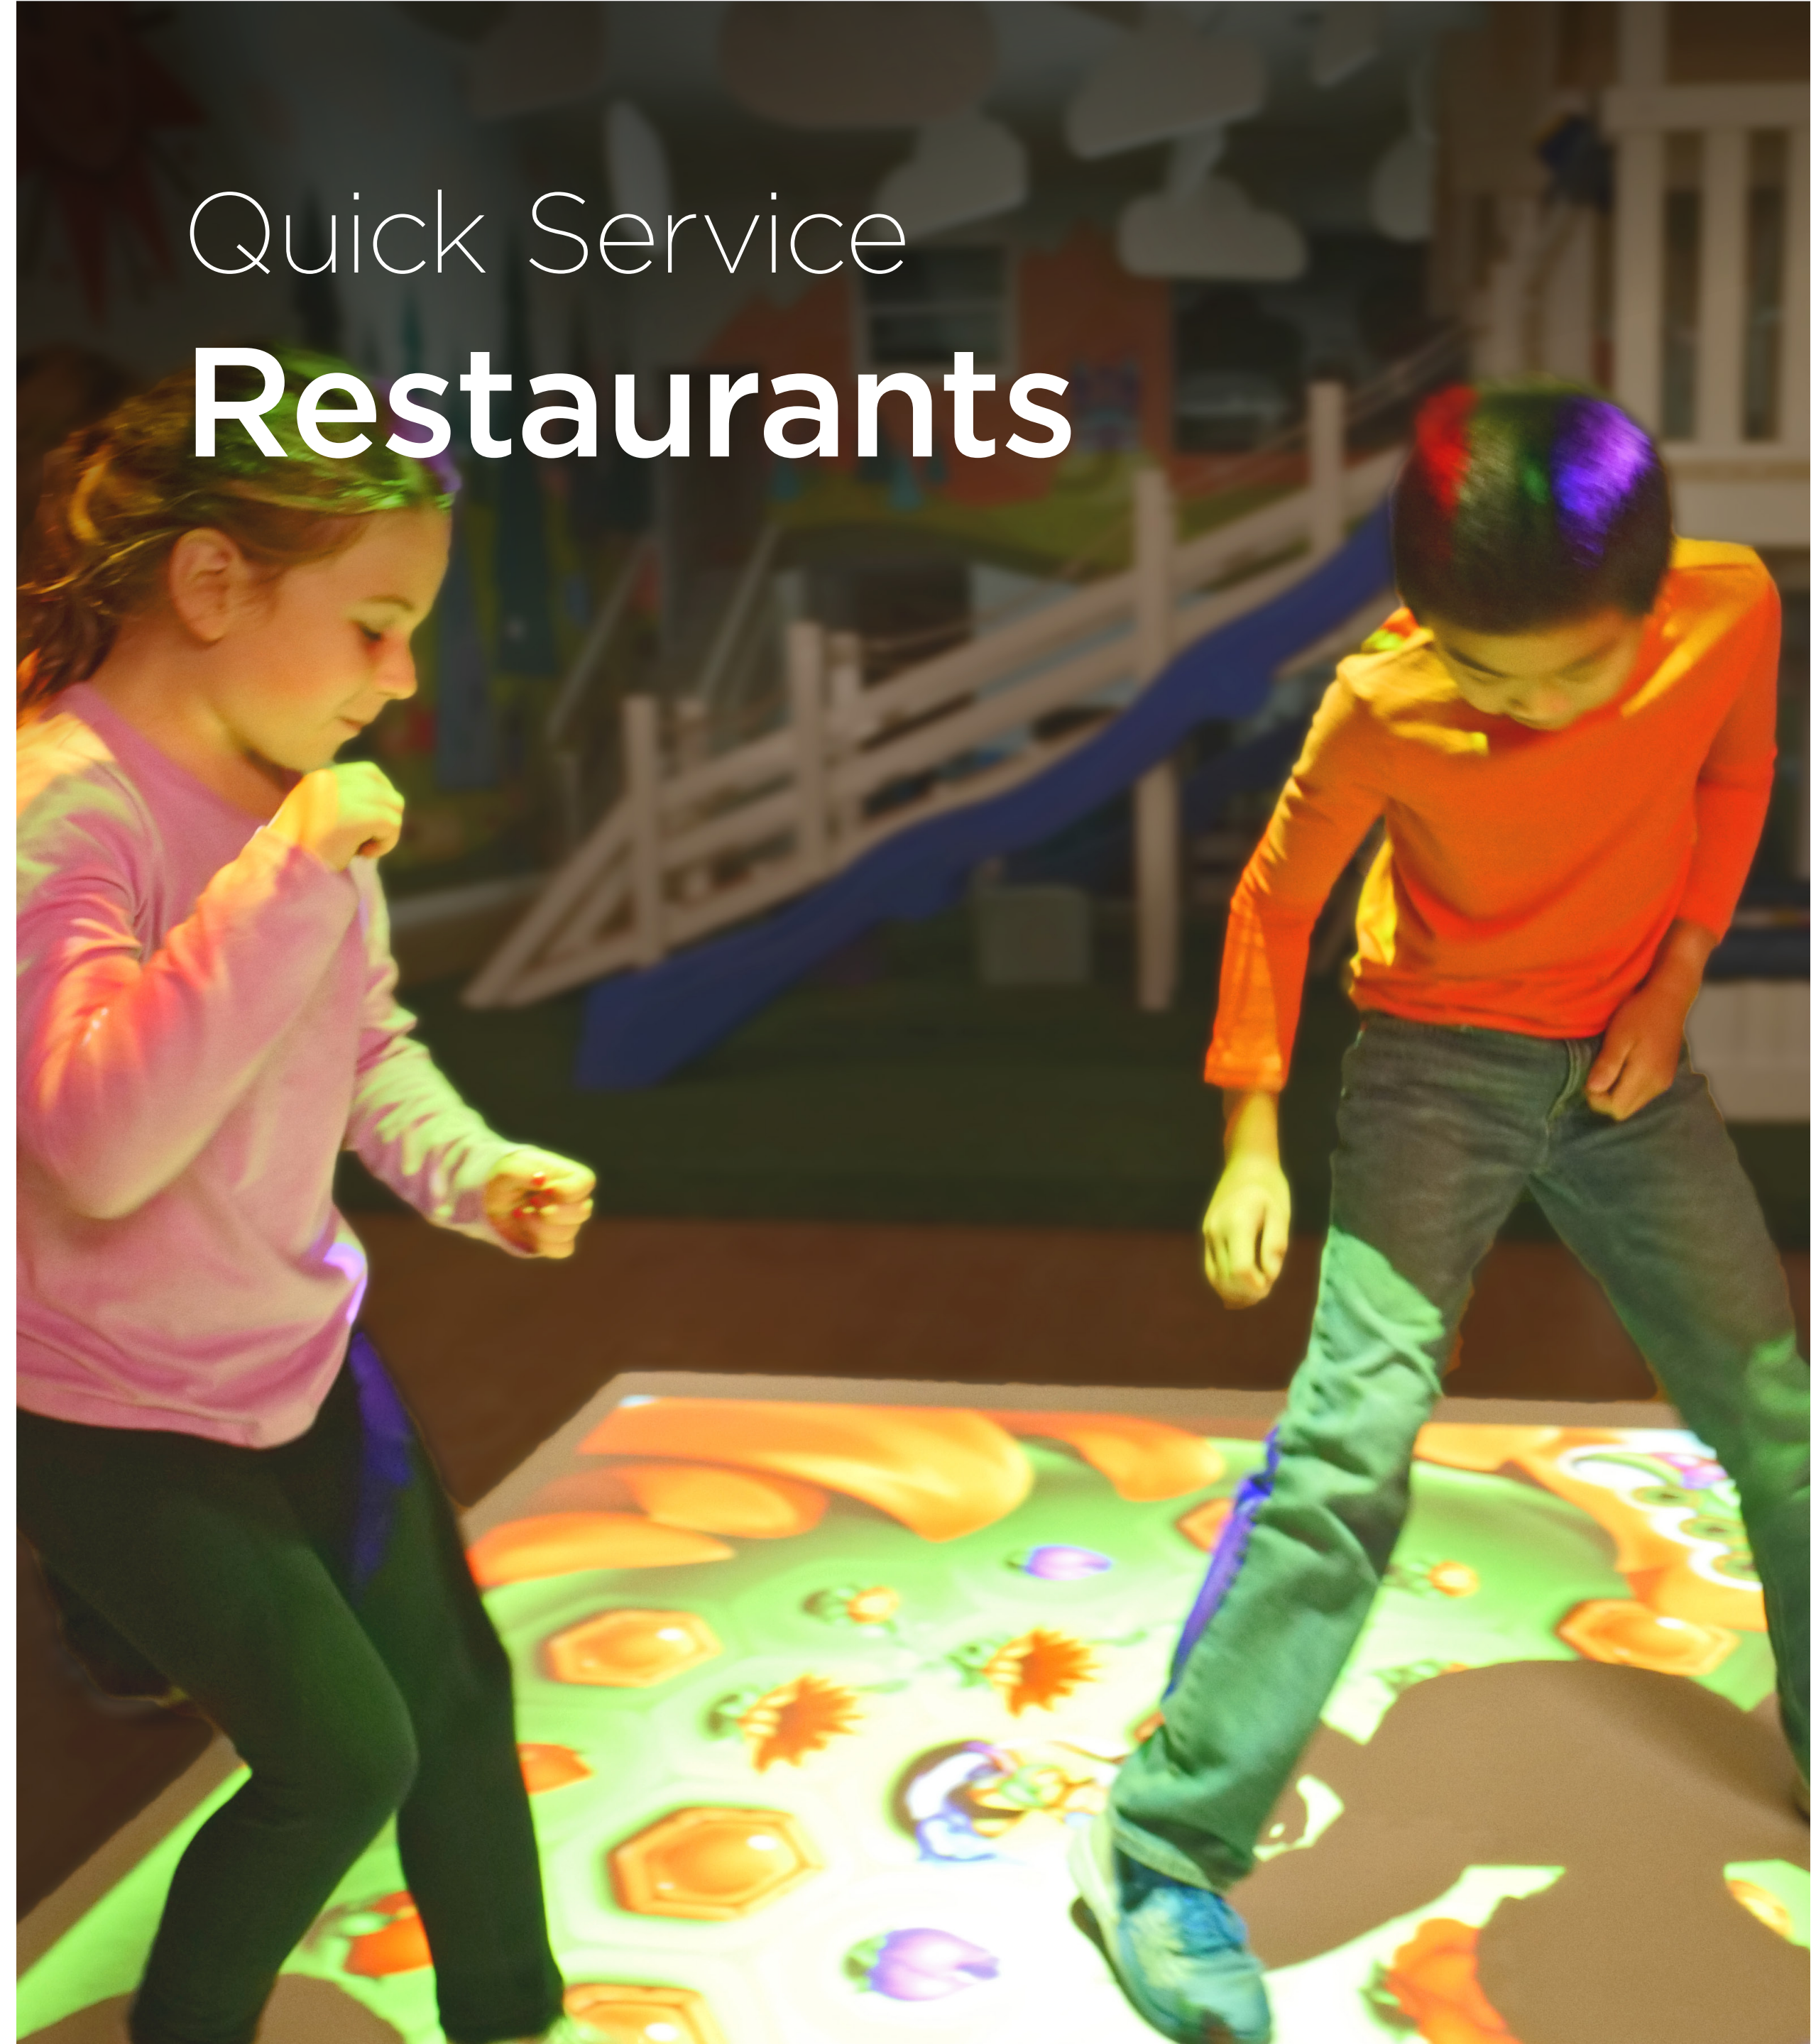

Burger King Manager

“I love my PlayKing playground and it’s **perfect for the small space that I have.**”

Mariele Aran

Burger King Franchise owner

Quick Service Restaurants

Educational Centers

“**Our kiddos have loved the new BEAM system -**
the functionality is wonderful!”

Kayley Johnson

Aberdeen Family YMCA

“BEAM allows children to use their **imagination, problem-
solve, and develop their gross motor skills** while laughing,
squealing, and having fun.”

Janel A. Work

Kiddie Academy

“BEAM is a strong component of our curriculum, reinforcing
the kids’ **gross motor, math, and reading skills.**”

Terry Townsend

The Learning Experience Preschool

“BEAM interactive games allow our kids to burn off some energy
so they can **concentrate better** in their church classes.”

Uliase Addison

Mount Lebanon Missionary Baptist Church

“BEAM interactive games allow our kids to burn off some energy so they can **concentrate better** in their church classes.”

Uliase Addison

Mount Lebanon Missionary Baptist Church

“Since BEAM was introduced, The Children’s Ministry has seen a **20% increase in children attendance at the church!**”

Uliase Addison

Mount Lebanon Missionary Baptist Church

“Our church was looking for an activity that would serve as an **attraction to get children in** the neighborhood excited about our youth center with added some variety. We wanted to give them some activity to do, and BEAM has done just that. ”

Pastor Steven Rance

Walnut Street Baptist Church

Religious Establishments

Homeowners

“My son said yesterday he thinks it’s great that I didn’t get them a Nintendo switch or an Xbox because everybody has one of those and nobody else has this so this means **more friends will want to come over here just because of the Obie**”

Michele McClory

Mom - California

“The kids love the OBIE!!! They’ve been **playing for over an hour already**. Such great exercise. Thank you!!!

Michele McClory

Mom - California

Seniors

"Residents are responding with love and are delighted by Obie's activities. **It helps them interact at a level that is not normally easy for them to attain.**"

Lisa Sullivan

Healthcare Nurse

"The games are great for seniors. They are **cognitively stimulating, socially engaging, and physically invigorating** – a winning combination for all ages!"

Professor Elkhonon Goldberg

a world renowned cognitive neuroscientist and a member of Obie Advisory Board

Make your business stand out with an active, educational, and social centerpiece families won't forget.
