

BEAM Table

Interactive Projection System

joinbeam.com

Convert Any Table Into a Fun-Filled Experience

BEAM Table is an award-winning gaming system for kids that converts tables of all shapes and sizes into a fun-filled experience. The device works by projecting motion activated games on table surfaces, which are as accurate as a touch screen.

Parents and Kids Love BEAM Table

The entire family loves BEAM Table. The interactive gaming system ignites children's imaginations and keeps kids entertained and focused. BEAM Table encourages participation and kids never get bored.

Seamless and Easy

The BEAM Table device is completely seamless, easy to install, and safe, as well as customizable to fit your business needs. We offer a full maintenance package designed to give you comprehensive service.

BEAM Table Benefits

- + No wear and tear on the tables
- + Simple and easy to use
- + Families can play together
- + Fits with any table shape and size
- + Endless hours of easy and safe play
- + Increases ROI and sales
- + Seamless and easy to install
- + Improves customer experience

Hours of Fun

BEAM Table games will inspire children and provide hours of entertainment and fun for the entire family. Our customized games also improve children's participation, cognitive skills, and encourages collaboration.

Our Customers

A Unique Customizable Advertising Solution

The BEAM Table device is completely customizable to fit your business's needs. The device can promote your brand, display sponsor or advertising partners, and more, while the games are not being played. Logos can also be inserted within the architecture of the game to maximize your brand's exposure, so you are able to fully optimize the device to benefit your business.

Dozens Of Games To Play. One Place To Play Them All

From highly-active competitive sports games, to energetic collaborative games, to colorful patterns, to educational preschool scenarios, BEAM has something for everyone.
