# Floor Games

---

## Ball Pit

With every movement you make, watch as the colorful balls react before your eyes. Move the balls where you like as you explore the board in this highly interactive experience. Ball Pit is a fantastic option for therapy as well as for the very young.

## Balloons

Pop the balloons as they fly from all directions around the board, but beware of the dynamite that will sneak up on you when you least expect. Keep tab of how many balloons you pop and which color gets the most action.

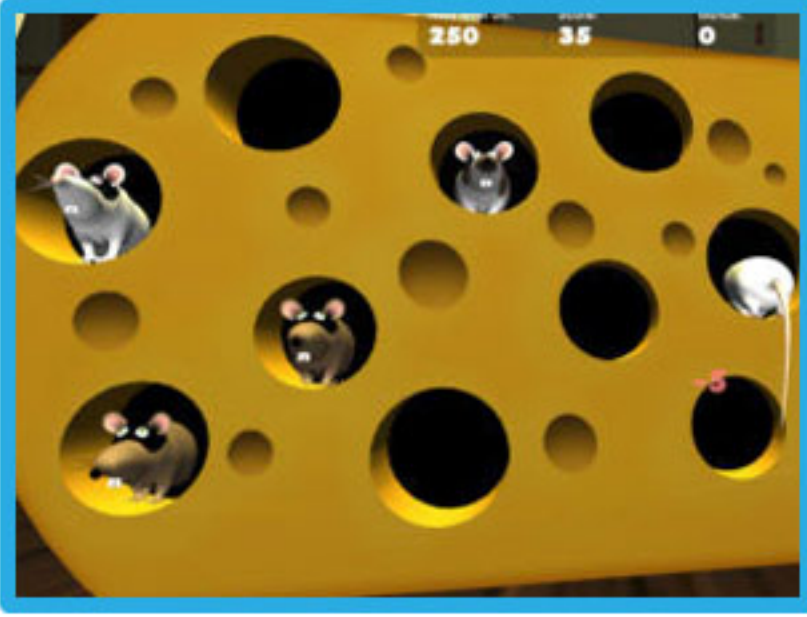

## Bubblies

Pop the bubbles before they get away as they float throughout the land. Enjoy moving from one level to the next where there are bonus points available and beautiful scenes to experience. The music is soothing, but this game will have kids off their feet and reaching for the stars.

## Capitals

Explore countries and their capitals as they pass before you on the board. This educational game serves its purpose in a way that's fun, active, and interesting. Your clients will love the opportunity to learn some fun facts every time they visit.

## Cheese Heist

Catch the rats as they attempt to eat all of the cheese. Cheese Heist will get players moving and jumping as they progress from one level to the next. Appealing graphics and fun music make this game a favorite for kids of all ages.

## Coloring Cars

Color the cars in this giant coloring book that let's your imagination run wild with every stroke of the brush. Your little artists will love watching their coloring pages come alive on a gigantic board that highlights every bit of their talent.

## Drums

Play the drums and orchestrate your own music with this interactive experience that makes the music come alive. Your little musician will be amazed at what they can accomplish with a set of drums that reacts to each and every touch.

## Fire Crackers

The fire crackers are lit and ready to erupt, and it's your job to make it happen. Grab as many as you can in order to make the board as beautiful and bright as the 4th of July. Players will love the explosive sound effects as well as the speed of the fire crackers.

## Fire Fighters

Protect the land from the fire balls that have taken over the sky. Earn points and bonuses as you become the most decorated fire fighter of all. Young and old players alike will love stomping on the flames as fast as possible before it's too late.

## Football

Score a touchdown in this interactive football game that will have players running from one end of the board to the other. Sports enthusiasts will love the speed, strategy, and competition that make this football game a clear favorite..

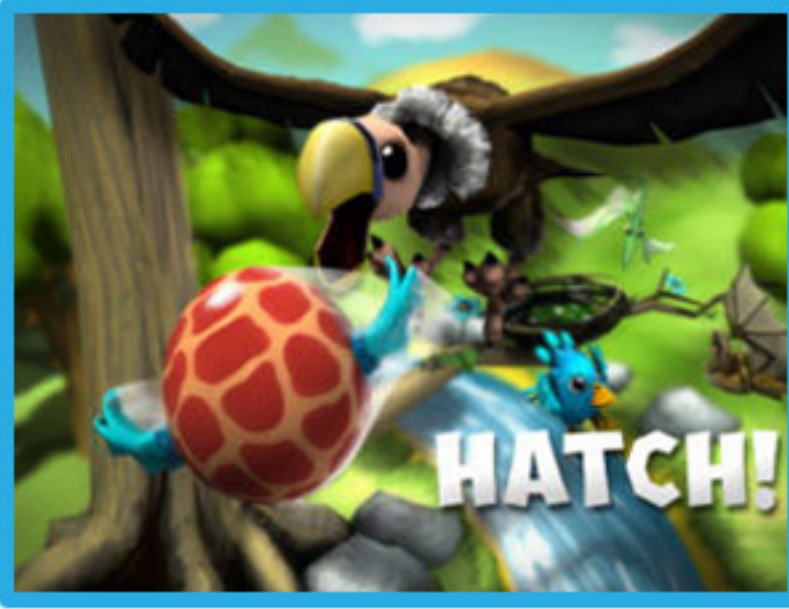

## Frogz

Leap from lily pad to lily pad as you earn points and gain skills in the game of Frogz. Chase the silly frogs and enjoy their sly moves as they swim in the pond and dive into the water. This game of speed and coordination is sure to please everyone.

## Futuristic Music

Let your inner musician come out as you create futuristic music that's upbeat, fresh, and completely unique. Run from the virtual drum set to the electric guitar and back over to the keyboard as you take your music to places where it has never been before.

## Hatch

Keep the angry bats away from all of the eggs as it's time for them to hatch. Watch as the little birds fly away into the sky and the seasons progress with each level that you conquer. This interactive game is sure to keep players happy and engaged.

## Ice Hockey

Hockey fans are going to rally for this exciting experience that keeps all of the players on their toes and moving. Fly down the ice as you attempt to score a goal and win the game. Players of all ages will enjoy this real-life replica of one of America's favorite past times.

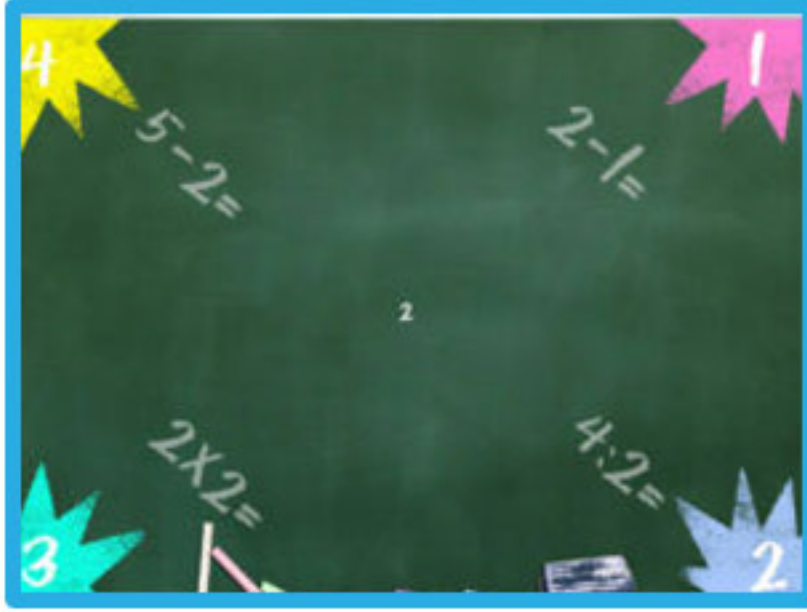

## Jazz

Prepare yourself for your very first jazz festival in front of a massive audience of fans. Whether you're playing bass, drums, flute, or the grand piano, you're going to be able to compose exciting music that's going to get the audience up on their feet every time.

## Ketchup vs. Mustard

Splat goes the mustard, and squish goes the ketchup. Earn points as you catch each condiment packet before it gets away. A combination of running, jumping, and leaping from packet to packet makes this game interactive and fun for all.

## Math

How fast can you solve the math problems? Test your ability and your coordination as math factors fly across the board before your very eyes. Sort the problems into their rightful place in this educational game that's just what you need to show off your skills

## Monsters

We need your help protecting ghosts, goblins, and other scary night creatures. As creatures float through the air, we need you to push them from flying directly into the high lines and getting electrocuted.

## Orchestra

Dynamic colors flash across the board as each instrument is highlighted and celebrated in your very own orchestra. Take a turn playing the drums, flute, violin, and horn as you listen to the unique sounds that are music to everyone's ears.

## Piano

What's better than a gigantic piano that you can play by jumping from key to key? The sounds are authentic, and the possibilities are endless. Kids of all ages will spend hour upon hour composing brilliant music and making lasting memories.

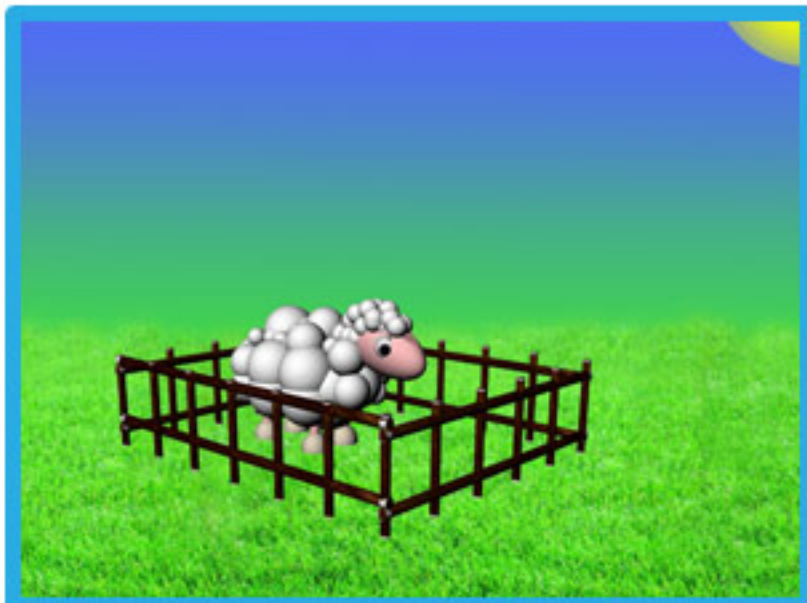

## Super Soccer

This soccer field has been waiting for a star to come out and win some games. Show off your moves and your speed as you cruise across the field making goal after goal. Soccer fans will love playing on this pristine field that's ready for some action.

## Under Water Fishing

Get your fishing poles ready, and prepare to catch all of the fish and octopuses diving out of the way! Navigate the bubbles and the nets as you do your best to nab all of the sea creatures racing to safety.

Keep tab of your points, but don't tell fish tales!

## Wolf Wolf

To sleep, we count sheep. Help this sheep go to sleep by counting sheep. We need to protect him from the wolves jumping around the fields, by fencing them off. Team up and lock these wolves away to give this sheep a good night sleep.

## Xylophone

The vibrant colors and large keys are all you need to make this xylophone come to life. Jump from key to key as you create music that livens up the room and puts a smile on your face. Young and old alike will look forward to this experience every time they visit.
