# Jumpin' Fun Sports

---

Jumpin' Fun Sports is a 5-star rated trampoline park in Sarasota, Florida. The park has evolved from a trampoline park to a destination family entertainment complex, with gyroscope rides, rock climbing walls and an elaborate audio-visual system and viewed BEAM as a perfect compliment to its business model.

# Jumpin' Fun Sports Reached an Entirely New Level of Family Entertainment

Jumpin' Fun Sports is one of the most heralded family entertainment centers in central Florida. The five-star rated FEC started with 13,000 square feet of trampoline space, that has quickly transformed into a full service indoor amusement park, with BEAM one of the centerpieces!

## Jumpin' Fun Added a Sports Simulator, Gyro-scope Ride and 26' Rock Wall, But Still Needed Something Special to Really Stand Out.

### BEAM is perfect for the younger kids

BEAM keeps all ages engaged, especially the younger kids, 2-6. It keep the entire family entertained, happy and staying longer.

### It's all about the entertainment experience

Jumpin' Fun is flooded with positive comments about the active playground, ease of use and the interactive nature of BEAM.

### Low maintenance and easy to clean

BEAM mounts over head and projects on any light floor, so aside from light cleaning Jumpin' Fun puts in almost zero effort maintaining the system.

# Jumpin' Fun Sports reached a new level of family entertainment with a little help from BEAM

Since BEAM was first installed, Jumpin' Fun has seen an incredible increase in new customers, repeat visits and the length of stay for visits. And feedback from both parents and kids has been nothing short of ecstatic.
